## The Adaptive Living Shoppe provides you with Solutions for an Easier Life

Our focus is to save you time and effort in your search for product solutions with one stop. Our goal is to increase the ability for you or a loved one to live independently with greater quality of life. We want to help you get the most out of your days safely and easily in everything you do.

# Solutions

*We offer assistive devices that help in the following areas:*

### **Kitchen Safety and Ease of Use**

Here you will find items that make being in the kitchen safer and easier.

Products include ergonomic dishware, plates, adaptive eating utensils, easy to use and one-handed can and jar openers. Items that make cooking and eating easier and more enjoyable for people with limited range of motion or arthritis are also offered.

### **Medication Dispensers**

We offer several models of medication reminders and dispensers. From a simple wristwatch reminder to a device that automatically dispenses your pills when they are needed, we have a variety of solutions for every need.

### **Low Vision and Hearing Devices**

The products offered in this category can make a world of difference in the quality of a loved ones' life. The Shoppe carries standard magnifiers as well as portable and table top digital magnifiers. Also stocked are amplified telephones and assistive listening products which allow for more enjoyable conversation and listening to the TV or radio.

### **Health, Wellness and Safety Items**

In this category we have products to help with fall prevention, safe dressing, kitchen safety and more. From blood pressure and weight monitoring to safety lighting, we have what you need.

### **Everyday Help**

Here you will find things that make each day easier. From dressing aides to easy to use self-care products, getting ready for your day will be more enjoyable.

*Call or stop by today—for yourself or for a loved one. We hope to help you live happier, safer and with more ease.*
